2010 Special Education
Fishing Rodeo

Gone Fishin'

Rotarians and contributors prepare for a sunny day of festivities

Preparations completed , Rotarians await the arrival of the students

Finally, the students arrive , spread out , and try to “catch a big one”

The hard work begins to pay off as the fish take the bait

And the Winner is!!

Rotarians cook and serve the students hamburgers and hot dogs with trimmings to satisfy the powerful appetites built up over a great day of fishing

Rotarians ,though tired, are all smiles from the successful day

Service Above Self, They Profit Most Who Serve The Best

Thanks to all who assisted or donated services or goods to make this event a special outing.
Special thanks to the Pearl River Baptist Conference Center for graciously allowing the Rotary
Club of Picayune to host this event on their beautiful grounds.

Sincerely,
The Rotary Club Of Picayune

See you next year!
